**AUCKLAND**

**PHAIDON**

**Bellota**

This Spanish tapas bar serves the prized delicacy *jamón Ibérico de bellota*, hence its name. Overseen by Peter Gordon, chef Mariano Ramon prepares delicious tapas, *pintxos* and *montaditos*, which all arrive in traditional earthenware dishes. Settle back in one of the booths in architect and interior designer Andrew Lister's earthy, cave-like interior.  
91 Federal Street, T 363 6301
